

ON THE MOVE

Project meeting at the IFM-SEI Camp: 26th July, 14:00 – 18:00

Dear friends,

Your organisations are taking part in IFM-SEI's global project "On the Move", exploring the topic of youth mobility from all sides.

The **objectives** of the project are:

- To motivate children and young people for international cooperation
- To support children and youth organisations in better dealing with visa obstacles and lobby for better visa policies
- To share experiences in working with refugees and migrants
- To equip youth workers with competencies to better include refugees and migrants in their organisations and cooperate with refugee groups and organisations
- To share experiences with (inter-) regional cooperation and explore practical possibilities for regional youth work
- To give the space to the Latin-American and African regions to develop their regional cooperation
- To offer space to discuss the topic of migration and refugees within the capitalist system and how it affects different communities
- To offer the space to discuss the effects of the current visa policies
- To create effective and attractive online tools to share results and to educate on the topic

We will arrange seminars on the topics of refugees, visa and regional youth work, two regional seminars in Africa and Latin America and training on-line! That means that different people from your organisations can be involved in different phases of the project.

In order to kick-off the project and get to know each other and the topic a bit more, we invite you to our On the Move workshop at the IFM-SEI Camp 2016!

The workshop will take place on **Tuesday 26th July from 14:00 to 18:00**. We will announce the exact place during the camp, so keep an eye out for our advertisement.

During the meeting, you will get to know the other organisations involved in the project and start reflecting on the big issues around mobility. We will also plan how we can make the project visible during the camp and motivate others to join our On the Move workshops!

We invite three people per organisation to our workshop, but it's also okay to bring one or two more. Please let us know the names of three people by 21 June, so that we know who we can expect.

Friendship,

The On the Move steering group (Christine, Simon, Luisa and Delphine)
