

SPOTLIGHT ON YOUTH

ERASMUS+ KA1 YOUTH EXCHANGE

CALL FOR PARTNERS

HAVE YOU ALREADY HEARD ABOUT SPOTLIGHT ON YOUTH?

It's going to be a great Erasmus+ Youth Exchange with around 8 different organisations and each 4 participants, 1 teamer and a small international team, happening in the south of Austria.

It's influenced by the concept of a youth EFN (European Falcon meeting) and based on the idea to make our organisation structures more open and inclusive for young people to be able to foster participation on every level.

The Youth Exchange is aiming for empowering young people from our organisations to get active in our own decision making bodies and giving them tools to think global and act local.

Participation is in the spotlight.

The project is a cooperation between IFM-SEI (International Falcon Movement – Socialist Educational International) and Österreichische Kinderfreunde/ Rote Falken.

Through implementing this Youth Exchange we not only target to make our organisations more accessible and participative but also to open IFM-SEI's structures for young people and kids by the input an expertise of its member organisations and close minded organisations.

Within ten days we'll experience different non-formal education methods and will reflect on our structures as well as accessibility in general. The second part of the Youth Exchange will happen parallel to the International Summer Camp of Kinderfreunde where we still have our own programme but will have the opportunity to share our results with the camp and create some programme for them.

THE CAMPSITE

The Kinderfreunde/Falken-camp is situated in the south of Austria in the federal state Carinthia, next to the Millstätter-lake.

During the next summer period we'll have an international summer camp happening partwise parallel to the Youth Exchange (20th till 31th of July, 2019). That is how we've started to create a democracy model which is always a must have of the summer camp program to make it more participatory and inclusive and was the start of wish for youth participation.

Due to the fact, that during our stay it will be summer and probably warm, we'll plan to camp in tents to have maximum camp-feeling. If someone does not feel comfortable, we will arrange a place in a cabin but we entrust you to try it.

If you like further information, do not hesitate to have a look on our website or get in contact with our office.
