As stated in the Constitution we have the possibility to convene an extraordinary Congress and Committee. It is a powerful instrument but necessary to ensure that the democratic power will remain with the member organizations. Last time when the member organizations wanted to convene an extraordinary Congress because of gross misconduct of the former Secretary General its validity was questioned because there were no clear processes and deadlines. We want to help and change this situation so whoever may ask for an extraordinary Congress or Committee it is a transparent and valid process in accordance with our agreements.
